Am	Em	G
Am	G	F
Dm	G	F

Am G F  
The Dark is warm, it folds around you

Am Em  
Safe to sleep, in velvet arms.

Am G F  
And all the Stars, they watching oer you,

Dm G Am  
Their Light to keep, you safe from harm.

Am G F  
So go to sleep, my bonny Babies,  
Am Em  
With shutters closed and windows tight.

Am G F  
There lies a world, behind the curtain,  
Dm G Am  
Forever dark, forever light.
